

All 11 District websites of Nagaland migrated to S3WAAS platform

All 11 District websites of Nagaland have been migrated to S3WAAS platform. The S3WAAS (Secure, Scalable and Sugamya Website As A Service) platform was launched by Sh. Ravi Shankar Prasad, Union Minister of Information Technology on 8th February 2018 during the District Informatics Officer Conference –VIVID 2018. Now the District websites of Nagaland are GIGW compliance.

On 22nd February 2019, with the launching of S3waas compatible district website of Phek District of Nagaland;NIC Nagaland has become the 2nd State in the NE after Tripura to become 100% S3waas Compatible District.
